## 2020-2021 Forgotten Device Policy

CAC students and parents/guardians fully acknowledge that use of a school-issued device on the premises of Central Arkansas Christian Schools is subject to all guidelines, rules and regulations governing acceptable use as established in our Acceptable User Policy.

Students who do not bring their school-issued Chromebook to school will be assigned a 'First Offense' as outlined below and will be loaned a Chromebook for the school day.

A student who forgets their Chromebook on a second occasion will be assigned a 'Second Offense' and so on.

---

In an effort to create accountability and responsibility, students who need to use the Chromebook Loan program will receive a Chromebook technology demerit if they fail to prepare for class. Students are not permitted to leave school to retrieve their Chromebook, similar to lunch protocols.

- **First Offense** — Students will receive a 'writing doubles' consequence.
- **Second Offense** — Students will receive an after-school detention and a \$5 fine payable to the office.
- **Third Offense** — Students will receive two after-school detentions and a \$10 fine payable to the office.
