Danny Sullivan – Bible

- Bible (Even with Bible reading apps/websites readily available, I strongly recommend each student bring an old-fashioned Bible. You pick the translation.)

Angela Kyle – Algebra 1

- 3 ring binder (1.5 inch)
- TI 30X IIS Scientific Calculator (Some students have asked when a graphing calculator is needed. We do not require them in Algebra 1 or Geometry, but I will happily teach your son/daughter how to use one if you'd like them to get one this year.)
- GIRLS (optional): 1 box Kleenex
- BOYS (optional): Hand sanitizer
